### FEATURES AND BENEFITS

• Featuring our smallest profile Bracket for installing in tight spaces and pockets when not using fascia. Accommodates Ceiling, Wall or Jamb mounting with easy, on-the-fly adjustments.

• Regular and Reverse Roll available.

• Lightweight, balanced spring tension for optimal shade positioning with the touch of a finger.

• Metal to metal contact points on Idle side of the shade ensure a sturdy and reliable connection to the bracket.

• Handle and optional extendable operating wand for tall or hard to reach shades.

• WT Shades are available with our WT Shade fabrics, or Mermet® and Phifer® fabrics. Visit WTShade.com to view fabric options, and other options and accessories, including Regular or Reverse Roll and various Hembar styles.

• Construction Documents for this system and others available at WTShade.com.

• Third party certified to meet WCMA Best for Kids Program Eligibility.
