Fabrics may vary slightly from colors of shown samples. Variances in fabric color are a normal part of fabric production as color mixtures may be slightly different from dye lot to dye lot.

For documentation of test results and certificates please visit inpro.com/wtshade.

For 8 x 10 memo samples of any of the fabrics featured on this card, please contact your WT Shade representative or visit inpro.com/wtshade.

CLEANING INSTRUCTIONS: Regular dusting and vacuuming recommended. Do not bleach. Professional cleaning recommended.

Note: Blackout fabrics provide privacy and do not allow light through the fabric itself; they do not block light or privacy gaps around edges of shade bands. If overall room darkening and/or added privacy is desired, see Light Blocking Accessories.
