MR450 CATCH BRACKET

SYSTEM FEATURES

- Catch Brackets feature Catch Pins for added safety of extra large or high bay applications.
- Brackets can be Ceiling or Wall Mounted.
- Regular or Reverse Roll available. Motor may be Drive Right or Drive Left.
- MotoRise Shading Systems offer multiple options and accessories, including various Hembär styles.
- All WT Shade roller shades are available in the exclusive line of sustainable solar protection fabrics by EcoFabrix. To view all available fabrics, visit EcoFabrix.com.
- This system uses Line Voltage motors by Somfy. See Motor Reference Guide for compatible motors, or visit Somfy.com for more information.
- MotoRise shades require a Motor Control in order for the shade to operate. All Motor Controls are sold separately. See Communication Guides for Motor Control information.
- Best For Kids Certified! Visit WCMAnet.com for more information.
- Construction Documents for this system and others available at WTShade.com.
